KMC TTPO Liability Waiver

I recognize KMC Gymnastics and Dance's obligation to make athletes and their parents aware of the risks and hazards associated with the sport of trampoline and tumbling. It is possible that athletes may suffer injuries ranging from minor to serious or catastrophic in nature. Trampoline and tumbling can be dangerous and can lead to injury. I will make my child(ren) aware of the possibility of injury and encourage them to follow all of the safety rules and the coaches' instructions. I understand that KMC TTPO will not accept responsibility for injuries sustained by any athlete(s) during the course of instruction, exhibition, competition, or clinics in which they may participate or while traveling to/from such events.

With the above in mind and being fully aware of the risks and possibility of injury involved, I consent to have my child participate in the programs offered by KMC Gymnastics and Dance. I, my executors, or other representatives, waive and release the rights and claims for damages that I or my child may have against the KMC TTPO and/or its representatives, whether paid or volunteer.

I also affirm that I now have and will continue to provide proper hospitalization, health, and accident insurance, which I consider adequate, for both my child(ren)'s and my own protection. I also understand that it is my responsibility to warn my child(ren) about the dangers of trampoline and tumbling and injury according to what I feel is appropriate.
